January 2016 MSN Allotments Association newsletter

This is the **first regular newsletter** that you will be receiving as members of the Allotment Association; these will be published around the middle of each month. For those not having e-mail, there will be a copy on the notice boards.

We currently have four vacant plots; 13, 24, 43, 55. In addition, as of today, there are two tenants whom we have not heard from, so there may be one or two more.

Bearing in mind the time of year and the rotten weather the allotment looks in fairly good condition. When I went earlier this month to mow the borders quite a lot of items had suffered from the attentions of the wind. You may wish to check your patch.

Advance notice - there will be a special social meeting to start the year with a bang on **Thursday, 2 March, 6.45 pm for 7 pm in the Town Hall (ground floor)**. Details will be in the February edition but please make a note in your diary now for what will be a useful evening.

The momentum of the Association has been a little bit slow in the last year due to circumstances beyond anyone's control but it is not a difficult matter to reverse and I am more than happy to do this task. I would like to acknowledge and thank my predecessor Carole for the conscientious record-keeping in the face of personal challenges.

I have created a fully functioning website at my own expense for people to try out and see if they like the idea. It is designed with two purposes in mind, one to get people interested in the idea of having an allotment, and the second section for members only with a suitable password. I shall be sending it to appropriate people to have it beta tested.
