Main matters (in no particular order)

1. Volunteers are sought to fill the various vacancies such as site manager, secretary, treasurer and chairman. A shadow treasurer should be found as soon as possible
2. Regular committee meetings should happen at 3 monthly intervals.
3. A social programme where people give talks about aspects of gardening that are of interest to them, for the purposes of sharing. The first talk will take place in a couple of weeks either in Brian's home or at another venue if numbers require.
4. A face book presence – a closed group where we can communicate without using a website
5. Possibility of a Christmas party. The White Post Inn is recommended or a pot luck supper.
6. The supply of manure from Dave to continue but a comment about weeds should be made. The resting place for the manure to be the bottom half of plot 28
7. Supplies of coffee chaff should continue
8. Wood chip to continue to be delivered
9. Rochard Robinson to advise about joining the RHS for £35 with the possibility of a cheaper public liability insurance policy
10. A contractor to be hired to mow the areas between the plots
11. The cultivator to be retrieved from its resting place, the house of the ex-treasurer
